

Here's a step-by-step guide to drawing this design:

On your paper, draw a row of dots:

Now add a raindrop around each dot:

Next, add another raindrop around your first raindrop:

Add a small circle to the top of each raindrop:

Draw a little curl sprouting from the top of each circle twisting to the left:

Now draw a curl sprouting to the right. You've created your design!
